

Smart Growth Vermont

Title: Computer Maintenance Technician

We are looking for an individual who is interested in using computer science skills to assist staff in the up-keep and maintenance of our computer and printer equipment.

Required skills include ability to troubleshoot and address computer and network issues; well-organized; and good communication skills. Work must be performed at the SGV office. The individual should have some flexibility in their schedule, as computer maintenance can sometimes take several hours to complete.

Smart Growth Vermont is a nonprofit 501(c)(3) organization dedicated to forging growth and conservation solutions for Vermont communities and rural countryside.
