

Smart Growth Vermont

Title: Website Resources Manager

We are looking for an individual who is interested in assisting staff with updating the [Connect to the Land](#) section of our website. This portion of our website is meant as a guide to community resources that support Vermont's local economy and environment. This person would assist us in researching, conducting interviews and placing information directly on our website. This is an ongoing project. This person would also assist in writing featured updates for our e-newsletter and social media sites.

Required skills include: interest in smart growth issues and the Buy Local campaign, detail oriented, and excellent writing and communication skills. Much of this work can be done outside of the office.

Smart Growth Vermont, a nonprofit 501(c)(3) organization dedicated to forging growth and conservation solutions for Vermont communities and rural countryside.
